

**AMERICAN NUCLEAR SOCIETY,  
NORTHERN CALIFORNIA SECTION**

---

Attention: Students, Science Teachers, and Guidance Counselors

The American Nuclear Society, Northern California Section is announcing our annual scholarship for graduating high school seniors in the Northern California Area. The award of this scholarship is \$1000.00 which will be applied toward the student's first year of study at a four year accredited college or university of the student's choice. In order to be eligible for this scholarship, the student applicant must enroll in a technical course of study in the field of engineering, physical science, or mathematics and must submit the following documents along with the completed application:

- A letter of recommendation from a faculty member of the student's school
- A most recent high school transcript
- A 1-2 page typed essay regarding his/her interests related to nuclear energy

The applicant may, but is not required to, submit a brief statement (one-half to one typed page) of financial need. Detailed family financial status is not desired.

Enclosed is a copy of the application form which may be reproduced.

**All scholarship applications must be postmarked by April 30 and addressed to:**

**American Nuclear Society Northern California Scholarship  
1086 Dahlia Ct  
Tracy, CA 95304**

**in order to be eligible for consideration.**

The award announcement will be made in June.

If you have any questions regarding this scholarship, please feel free to contact me via email at [northcal@local.ans.org](mailto:northcal@local.ans.org).

Sincerely,

Scholarship Committee Chairman  
American Nuclear Society, Northern California Section
